To Whom It May Concern,

It is with great enthusiasm that I write this letter of recommendation for LaRain Saige, whom I have had the pleasure of knowing for five years. LaRain is not only an exceptional employee at FirstLight Home Care, but also a passionate advocate for animal welfare in our community through her non-profit organization, TAILS Foundation Inc.

As co-owner of FirstLight Home Care, I have witnessed LaRain's dedication and professionalism firsthand. She consistently demonstrates a strong work ethic, exceeding expectations in her role and always willing to go the extra mile. Her genuine empathy and compassion shine through in her interactions with our clients, making her a highly valued member of our team.

However, LaRain's dedication extends far beyond the walls of our company. She has a deep-seated passion for animals, fueled by the belief that everyone deserves access to affordable veterinary care. This passion led her to found TAILS Foundation Inc., an organization dedicated to providing low-cost veterinary services to underserved communities in our area.

Through her leadership and tireless efforts, LaRain has established a reliable and impactful program offering crucial services like vaccinations, preventative care, and basic treatments to pets in need. Witnessing firsthand the profound difference TAILS Foundation Inc. makes in the lives of pet owners and their furry companions fills me with immense admiration for her work.

LaRain's organizational skills, fundraising prowess, and unwavering commitment to her cause are truly remarkable. She possesses a unique ability to connect with and mobilize people, building partnerships and securing resources to further her mission. Her entrepreneurial spirit, coupled with her genuine compassion, makes her an ideal candidate for this grant.

I wholeheartedly believe that LaRain and her non-profit are deserving of your support. The grant you offer will not only enable them to continue their vital work, but also expand their reach and make a greater impact on the lives of countless animals and their families within our community.

Please do not hesitate to contact me if you require any further information or wish to discuss LaRain's qualifications in more detail. I am confident that she will prove to be an invaluable recipient of this grant and a true asset to your organization's mission.

Sincerely,

A handwritten signature in blue ink, appearing to read 'BL', with a large, sweeping flourish extending to the right.

Brad Leggat
